Dear Sir:

In response to the Restriction Requirement mailed 09 March 2004, Applicants respectfully elect the invention of Group I, drawn to an absorbent article. Claims 1-43 are included in Group I. Applicants further elect Species 2, wherein the lower layer has a density equal to the density of the upper layer. Species 2 includes Claims 26 and 43. This election is made without traverse. Applicants specifically reserve the right to seek patent protection for non-elected subject matter by divisional application.

Applicants further request amendment of the above-identified patent application as presented in the listing of claims, which begins on page 2.

I hereby certify that this correspondence (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Mail Stop Non-Fee Amendment, Commissioner for Patents, P.O.
